February 9th 2011. Roseburg, OR – Willowood USA announced today the addition of Ted Kabat Jr, to its sales team. Ted will be servicing the needs of Willowood USA customers in the eastern half of the United States including: Maine, Vermont, New Hampshire, Massachusetts, Rhode Island, New York, Connecticut, Pennsylvania, New Jersey, Delaware, Maryland, Washington DC, West Virginia, Virginia, North Carolina and South Carolina.

Ted was raised on a farm in Hatfield, Massachusetts. After attending Delaware Valley College of Science & Agriculture, where he received his Bachelor of Science degree in Biology, he has spent the last 38 years in the agricultural crop protection industry. Ted's previous experience includes sales and management positions with Old Fox Fertilizer & Chemical, Diamond Shamrock Holdings, American Cyanamid, Gustafson LLC, Bayer Crop Science and most recently, President of Kabat Agricultural Products Consulting.

Willowood USA is a U.S. based manufacturer of post-patent crop protection herbicides, fungicides, insecticides and adjuvant products for the agriculture industry. For more information on the complete line of Willowood USA products, go to www.willowoodusa.com.
